Dear Sir,

Sub: Undertaking letter with acceptance of terms and conditions

I, B Ramanjaneya Reddy, Father/Mother/Guardian of BOPPELLA CHIHNITA REDDY, bearing roll number 2110030359 studying in 3rd Year- First-semester Computer Science Engineering Department, fully consent to my ward's participation in the CRT program.

I unconditionally accept the following program terms and conditions. I know that my ward is eligible for placements if his or her CGPA is over 6.75 and there are no backlogs. I am aware that my ward must meet the trainer-specified criteria to advance to the next phase of the training program.

I am aware that my ward does not qualify for placement and training due to CGPA/Backlogs. Even though we are paying the total CRT fee for training purposes. I ensure that my ward has an average cumulative grade point average of 6.75 and no backlogs during the interview; otherwise, I am aware he/she is not eligible for any placement and training activities. I realize that the university is working extremely hard to place all students, and I adhere to all of its rules and regulations.

In addition, I am aware that the University reserves all the rights to initiate any disciplinary action against my ward, if during the course of the CRT program, he/she is found as individual or groups knowingly or unknowingly to disobey or indulge in any activities that will/may bring disrepute to the Institution.
